Parenting Toddlers & Preschoolers

Join us in-person for an interactive 6 week series as we explore the unique challenges that come with parenting these growing littles. Sessions will combine sharing evidence-based information on topics such as attachment, temperament, emotions and challenging behaviours, social skills, and setting limits, as well as facilitating discussions around questions raised by participants.

Child-minding and simple snacks will be provided.

Jan 31 - Mar 7

Tuesdays

10am-12pm

in person @ Tommy Douglas Library
7311 Kingsway Burnaby
